

**STEP ONE**

From your smartphone or desktop, visit the tournament page of our website: waxahachiesoccer.org

Click on 'Registration' and then login (if you are an existing GotSport user) or Create a New Account

From here, you can either register using your existing team account (if you already have one) or you can create a new team account.

- ALWAYS use your existing team account (if you have one) for the April tournament
- If registering for one of our open roster tournaments, you can create a new team account and feel free to make-up a fun team name!

If you are going to create a new account, you can type in the team name under 'Search Teams' and then press 'Search'

If you are going to register using your current account, it will appear under 'My Teams' – choose 'Register' next to the team you want to enter. If it does not appear under 'My Teams', use the 'Search Teams' function to find your team account.

- If you still cannot find your team account using the 'Search Teams' function, you can either contact your league administrator for assistance or you can create a new team account using these instructions.

The screenshot displays the website interface for the 'Waxahachie SA - 2021 Midnight Monster Madness Tournament'. The top navigation bar is blue and includes a 'Cart (0)' icon. Below the header, tournament details are listed: '21/22 10/29/21 - 10/31/21' and a link to the event page. A table provides further details:

|               |  |
|---------------|--|
| Competition   | Midnight Monster Madness Tournament      |
| Event         | 2021 Midnight Monster Madness Tournament |
| Seasonal Year | 21/22                                    |
| Dates         | 10/29/21 - 10/31/21                      |

Below this, two panels are visible. The 'My Teams' panel on the left shows a team entry for 'Waxahachie SA - Avengers 14B' with a 'Coach' role and a 'Register' button highlighted with a red box. The 'Search Teams' panel on the right contains a search instruction and a search form with the following fields:

| Team  | Gender                           | Event Age                       |                                       |
|---|----------------------------------|---------------------------------|---------------------------------------|
| <input type="text" value="Search Team Name"/> | <input type="text" value="All"/> | <input type="text" value="U3"/> | <input type="button" value="Search"/> |

## TOURNAMENT TEAM REGISTRATION

### STEP TWO

Complete the registration using the on-screen step by step instructions.

The 'Fee Selection' page is where you will choose which division that you would like to play in. Be sure to choose the division that the *oldest player* on your team would qualify for. Players are allowed to play up, but they are never allowed to play down. For example, if the oldest player on your team is 10 years old, you must choose the division in which they would play. Any players younger than them can play up on the same team.

Be sure that you also choose the correct gender division. If there is even one boy on your team, you must choose boys or coed.

### STEP THREE

Now you will 'Checkout'. Be sure to complete this step or your registration will not go through to us. You will receive a confirmation email that your registration is complete. Be on the lookout for your acceptance email to come closer to the close of registration. Get a head start on your online check-in by visiting the tournament page of our website!
